Medley

Form, Function, Performance, Quality and Value all come together in this performance engineered table. The Medley table features easy and smooth one-handed activation of its flip-top mechanism. The unique leg design allows for space saving straight-on nesting. *The table shown features our standard MT7F Ergoflex profile PURTech® edge, our standard metallic silver base, and standard casters.*

Casters

Optional Ergo Flex edge

Details

Modesty Panel An optional fabric mesh modesty panel is available for all sizes. This panel is removable for easy storage. Graphite grey is standard.

Casters The Medley table features two locking and two non-locking heavy-duty commercial casters.

Nesting Straight-on nesting allows for astonishing space savings, only adding 120mm (4-3/4") per table.

Flip Top What really sets this table apart is its smooth operating flip-top mechanism. So easy to use, the one-handed activation can be operated by almost anyone.

Add comfort and ergonomics by adding our new MT7 Ergoflex edge, which provides flexible and stable arm support. *The table shown on the facing page features this edge.*
